NOTE OF APPRECIATION

The Selectmen wish to thank the various Committees and all other individuals who planned and participated in all of the events associated with the Chichester 250th Anniversary Celebration held in 1977. This event took the sum of three years to plan and proved to be most successful and will long be remembered. Again we thank you all.

The Selectmen also wish to express their appreciation to the Chichester Sno-Packers for donation of several tables to be used and kept in the Town Hall. A special thanks to Jim Brown for his contribution to the maintenance of the grounds around the Town Hall. Jim does this job on behalf of the Sno-Packers of which he is a member.

TOWN WARRANT

The Polls will be open from 10:00 A.M. until 6:00 P.M.

TO THE INHABITANTS OF THE TOWN OF CHICHESTER IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town Hall in said Chichester,on Tuesday, the 14th day of March next, at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum not to exceed $777.00 for the support of the Central New Hampshire Regional Planning Commission. (Requested by C.N.H.R.P.C.)

4. To see if the Town will vote to raise and appropriate the sum not to exceed $2590.00 as the Town's share of the cost of operating the Cener Barnstead Ambulance Service during daytime hours only. (Requested by Barnstead Fire Dept.)

5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of current year taxes.

6. To see if the Town will vote to raise and appropriate the sum not to exceed $742.00 for continuation of services to the low income and elderly residents of Chichester through the Suncook Area Center of the Community Action Program.

7. To see if the Town will vote to raise and appropriate the sum not to exceed $1500.00 for the support of the Concord Regional Visiting Nurses Association.

8. To see if the Town will vote to raise and appropriate the sum not to exceed $1000.00 for the Chichester Library Building Fund,and to transfer said sum to Capital Reserve. (At the request of the Library Trustees)

9. To see if the Town will vote to raise and appropriate the sum not to exceed $42,000.00, to be handled over 5 years, for the purchase of a new pumper-tanker combination Fire Truck.

10. To see if the Town will vote to raise and appropriate the sum not to exceed $1200.00 for the purchase of two way radios for the Chief and Deputy Chief. (Requested by the Fire Chief)

11. To see if the Town will vote to raise and appropriate the sum not to exceed $500.00 for safety clothing for the firemen. (Requested by the Fire Chief)

12. Shall we adopt the provisions of RSA 72:43B and 43-C for expanded Exemptions on Real Estate which provides for a resident 65 years of age up to 75, a $5000.00 exemption; a resident 75 years of age up to 80, a $10,000.00 exemption; a resident 80 years of age or older, a $20, 000.00 exemption. Provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident has a net income of less than $7,000.00 or combined income with spouse of

less than $9,000.00; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in access of $50,000.00.

13. Do you approve of having two sessions for the annual town meeting in this Town, the first session for choice of Town Officers elected by an official Ballot and other action required to be inserted on said official Ballot, and the second session on a date by the Selectmen for transaction of other business. (RSA 39-2 A)

14. To see if the Town will vote to raise $16,750 for a Revaluation of the Town; $11,300.00 from Revenue Sharing; $3,800.00 from Tax Map and $1,650.00 from Town funds.

15. To see if the Town will vote to authorize the Selectmen to appoint a Road Agent or Road Agents rather than by annual election by Ballot.

16. PROPOSED ZONING AND BUILDING REGULATION CHANGES TO BE ACTED UPON BY BALLOT AT MARCH 14, 1978 CHICHESTER TOWN MEETING

---

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board of the Town Zoning Ordinance as follows:

Replace the existing Article II with the following new Article II:

Article II
ESTABLISHMENT OF DISTRICTS

A. GENERAL

In the interest of public health, convenience, safety and welfare, the town of Chichester is hereby divided into five (5) districts to be designated as follows:

B. DESIGNATION OF DISTRICTS — Short Name

Conservation-Open space - Wetlands.....OSW
Conservation-Open space-Steeplands.....OSS
Rural-Agricultural.....RA
Residential.....R
Commercial-Industrial.....CI

C. ZONING MAP

The locations and boundaries of the zoning districts are shown on "The Zoning Map" of the Town of Chichester, N.H., dated _____ and signed and certified by the Town Clerk, which is part of this ordinance.

D. PURPOSES, PERMITTED USES AND SPECIAL EXCEPTIONS

District OSW
Conservation-Open space-Wetlands

Purpose.
To reserve those areas of wetlands, including poorly drained and very poorly drained soils, marshlands, flood plains and streams as mapped on Merrimack County Soil Survey, issued June, 1965, for primarily conservation, agriculture, forestry, wildlife, scenic and recreational purposes. No residential uses or permanent housing of domestic livestock will be allowed in this district.

Permitted Uses.
Farming and forestry, including sale of products produced on the premises, wildlife management and improvement measures. Public and private open space and recreational uses, including camping and tenting areas as a private use.

Special Exceptions.

Public utilities facilities, portable sawmills and commercial campgrounds.

District OSS
Conservation-Open space-Steeplands

Purpose.
To reserve from intensive development those areas of steep slope (over 15%) and related soils limitations as mapped in the Merrimack County Soil Survey, issued June, 1965, for primarily conservation, agriculture, forestry, wildlife, scenic, and recreational purposes, These areas shall serve as open space and natural areas to protect the scenic qualities and watersheds of the town from encroachment. Residential uses shall be limited to one dwelling unit per five acres.

Permitted Uses.
Farming and forestry, including sale of products produced on the premises, wildlife management and improvement measures. Public and private open space and recreational uses, including camping and tenting areas as a private use and home occupations.

Special Exceptions.
Public utilities facilities, portable sawmills, and commercial campgrounds.

District RA
Rural-Agricultural

Purpose.
To provide areas suitable for development within the limitations of the soils to accommodate individual on-site water supply and sewage disposal systems, to preserve the rural character of the community and to protect the better agricultural soils from intensive development. Minimum lot size for single family residential uses shall be five (5) acres, with minimum road frontage of 300 feet.

Permitted Uses.
Farming and forestry, including sale of products produced on the premises, single family dwellings, accessory uses and buildings, home occupations, recreational buildings and land.

Special Exceptions.
Public utilities facilities, sawmills, two family dwellings, places of assembly, public and private community buildings.

District R
Residential

Purpose.
To provide areas of well-drained soils suitable for development as residential units.

Permitted Uses.
Single family dwellings, farming of land including keeping of livestock or poultry for personal use, home occupations, sale of products produced on the premises, management of land for forestry and wildlife, recreational buildings and lands, accessory uses and buildings.

Special Exceptions.
Public utilities facilities, two family dwellings, animal husbandry and keeping of poultry provided that all such use shall not be offensive or unsightly, as determined by the Board of Adjustment, nursing and convalescent homes, places of assembly, public and private community buildings.

District CI
Commercial-Industrial

Purpose.
To concentrate commercial and industrial growth in those areas which have the best access to major transportation corridors and which can best serve the overall interest of the community. Industrial uses shall have a minimum lot size of three (3) acres and minimum frontage of 300 feet. Commercial uses shall have a minimum lot size of two (2) acres and a minimum frontage of 200 feet.

Permitted Uses.
All uses allowed District R-Residential.

Special Exceptions.
All special exceptions allowed District R-Residential and Commercial and Industrial development permitted only after approval by the Planning Board of plans showing that traffic and parking considerations meet with Town and State standards.

2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article III by adding the following new Paragraph G.

G
HOME OCCUPATION

Any home occupation, such as an art studio, hairdressing, wood working, nursery school, automotive and farm equipment repairs, antique shop, or the professional office of a physician, lawyer, engineer, consultant or similar activity, shall be permitted as an accessory use if it complies with the requirements of this section as defined below:

1. The home occupation shall be carried on by a member of the family residing in the dwelling unit only. Two employees who are not part of the family are permitted.

2. The primary activities of a home occupation shall be carried on wholly within the principal or accessory structure.

---

3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article III by adding the following new Paragraph H.

H
SIGNS

Signs shall be limited to on-site locations only and to one (1) per business enterprise. Any sign shall not exceed 32 square feet of area and no sign shall endanger driving on the public roads, either by placement or by excessive glare or signs illuminated at night. No flashing or animated signs will be allowed. On-site signs attached to buildings are permitted as a special exception. The size and number of signs in the Commercial-Industrial district may be increased as a special exception.

4. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article III by adding the following new Paragraph I.

I
OBNOXIOUS USES

Land shall not be used in any manner that is noxious, offensive, or detrimental to the public or to owners or occupants of adjacent property or prejudicial to the general welfare of the community. A public hearing by the Board of Adjustment is required before such use if prohibited under this provision.

5. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Building Regulations as follows:

Amend Paragraph 3 by striking out "A fee of two dollars shall be paid for all permits issued of which the Building Inspector shall receive one dollar", and adding the following:

A. Any structure not a dwelling or business shall require a fee of $10.00 of which the Building Inspector shall receive $5.00.

B.1 Any new construction dwelling shall require a fee of $25.00 for the first 500 square feet of ground floor area plus an additional $5.00 for each one to one hundred square feet in excess of the original 500 square feet. From the total fee the Building Inspector shall receive $12.50.

2 Any addition to an existing dwelling shall require a fee of $10.00 of which the Building Inspector shall receive $5.00.

C.1 Any new construction commercial or industrial building shall require a fee of $50.00 for the first one to one thousand square feet of ground floor area plus an additional $25.00 for each one to one thousand square feet in excess of the original one thousand square feet. From the total fee the Building Inspector shall receive $25.00.

2 Any addition to an existing commercial or industrial building shall require a fee of $25.00 for each one to one thousand square feet of ground floor area of which the Building Inspector shall receive $12.50.

3 Before a commercial or industrial building permit can be

issued the Planning Board must conduct a public hearing. The hearing must be held within 45 days of the date of the application, and action must be taken 45 days after the hearing.

---

6. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Building Regulations as follows:

Amend Paragraph 5 by adding the following new sub-paragraph M.

M

All new construction whether for residential dwelling purposes or commercial or industrial must have the entire exterior frame completed and a commercial grade of siding and roofing applied within 18 months of the date of the issuance of the building permit.

---

7. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Building Regulations as follows:

Add the following new Paragraph 10:

In order to prevent premature and scattered growth and to avoid excessive and uneven expenditure of public funds to provide the public services accompanying such growth, building permits shall be issued at a rate and in such number as shall not exceed a permanent growth rate of 6% allocated as follows:

A. 3% growth in Residential (R) and Commercial-Industrial (CI) districts

B. 2% growth in Rural-Agricultural (RA) district

C. 1% growth in Conservation-Open space-Steeplands (OSS) district.

17. To Transact any other business that my legally come before said meeting.

All articles except 1 above will be taken up at 2:00 P.M. Saturday, March 18, 1978 at the Town Hall.

CHICHESTER VOLUNTARY FIRE DEPARTMENT

CALLS - 1977

Structure	6
Chimney	9
Motor Vehicle Accidents	13
Medical Emergencies	13
Grass and Brush	8
Mutual Aid	28
Auto Fires	2
Smoke Investigations	5
Misc. Calls	2
	86

This year your Fire Depart. responded to about 24 more calls than last year. The calls were not of any particular type but were spread out over all categories which is probably in direct relationship to the growth of the town. In 1975 we had 39 calls, in 1976 there were 62 calls and in 1977 we answered 86 calls and again through quick response and efficient fire fighting we have been able to keep our losses at a minimum.

The Capital Area Dispatch Center that we voted to join two years ago has proved to be a valuable asset for the town. With this service our response time for getting men and equipment to the scene has been greatly improved.

This past year much of our budget was spent in maintenance and repair of our equipment and station. We should replace our 1942 pumper with a new pumper-tanker combination that would meet Class A Standards. It should be apparent to anyone that if equipment is not replaced as needed you will pay for it in loss of life and property as well as extensive repair costs.

At this time I would like to remind you that during any major storm, summer or winter, that the fire station is manned day and night so if you need a place to stay you are welcome.

Our training program consists of local training and training with the Suncook Valley Mutual Aid and the Capital Area Mutual Aid. Also practical and classroom work at the Laconia Training Grounds.

The Fire Dept. Emergency Medical Squad has responded to 26 calls this year. They have answered calls that pertain to the town plus they are available for mutual aid calls. This past year Engine 3 has been put into service for the use of the Medical Squad and for other Fire Dept. purposes. Presently there are 18 members on the Squad. We have 6 EMTs, 1 Registered Nurse and 9 persons with Advanced First Aid Certificates.

At this time I would like to thank the Ladies Auxiliary of the Chichester Fire Dept. for their help this past year, the Selectmen and you, the taxpayer, for your cooperation and assistance.

And I will repeat myself: To my officers and firefighters, a very sincere thanks for your response to fires, drills and other calls. Most important, I want to express my thanks to the wives, girlfriends and families of my firefighters for their patience and understanding for the many hours they were left alone when the alarm sounded.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Forest fire control in New Hampshire is a joint state and town / city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire warden and several deputy forest fire wardens in each town/ city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of 1/4 of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

This combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

LIBRARY REPORT OF 1977

Through the year the opportunities of the library have been available for the use of the citizens of Chichester and has been open excepting during unfavorable weather.

In 1977, the library loaned 2226 adult books and 1581 childrens books. This is down from last year, due I think to the closing of the kindergarden. Your librarian has been aware this year more than ever, the needs and opportunities for better service. The price of books has risen drastically and spare time grows scarcer each year.

Last summer we tried opening on Wednesday afternoons instead of Saturdays with little success. This year we are trying Saturday mornings,which has been a little more fruitful. Any suggestions from the public will be appreciated.

New comers in the town may not be aware of the scope and attractiveness of the books in the library or that the librarian can in a very short time acquire titles from other sources, if what we have is not adequate.

The library added 104 new titles this year, thanks to the generousity of several people. We purchased 15 titles from book shops. The book buying committee is handicapped if we do not know what books are most desirous of the public. Our collection is augmented by titles selected from the book-mobile.

Several titles were purchased with monies received from the HOLLY BATES MEMORIAL FUND, and are on display at the library.

Mrs. John Varney has served us well as in the past with the branch located in her home.

The Trustees and Friends would like to thank the following people for their donation of books; Mrs. MacRae, Mrs. Nickerson, Mrs. Varney, Mrs. Waters, Mrs. Williams, Mrs. Fleming, Mrs. Lawrence, Mrs. Griffin,also much gratitude to those who donated money to the EDWARD CORLISS FUND.

Your librarian completed the sixth course offered at U.N.H. Two more to go. The library is staffed this year by a fine group of aides: Janice Yeaton, Velna Pike, Pat Nelson, and June Hatch. Trustees are Lucille Noel, Chairperson, June Hatch and Betty Myers.

Thanks to all,

Sylvia Dane
Librarian

1977 REPORT OF CEMETERY COMMISSION

At a meeting of the Cemetery Commission, the following regulations were adopted:

1. Cemeteries shall be opened in the spring and closed in the fall as weather conditions warrant at the discretion of the commission.

2. Flowers shall be removed by October 1 of each year.

3. Cornerstones and headstones shall be set flush with the ground.

4. Foundations for monuments shall extend four (4) inches beyond the base of the monument on all sides at ground level.

5. No trees, shrubs, or plants shall be planted except by supervision of the caretaker or a member of the Cemetery Commission.

6. No fence or curb shall be built on a lot.

7. For every interment the use of a liner, or a cement box, or other form of vault shall be mandatory.

8. No more than one monument shall extend above ground on any one plotted lot.

9. Lot prices shall remain the same as recorded in the Town Report for the year 1975.

CONCORD REGIONAL VISITING NURSE ASSOCIATION
For the period October 1, 1976 to September 30, 1977

Patients Served - 54	Active Patients - 44	
Visits made during the year:	Nursing	172
	Physical Therapist	3
	Nutritionist	3

The Concord Regional Visiting Nurse Association has continued to service Chichester for two and one half years. They have provided skilled nursing care to anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurses' visits.

Special services, such as, physical therapy, occupationaly therapy, speech therapy, and nutrition guidance have been given by the special staff and consultants in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker-home health aides are available to given physical care, do light housekeeping and assist with meal planning and preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition and sickness and accident prevention.

Anyone in Chichester may request these services - doctor, family,pastor, friend or patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's order.

A call to the Concord Regional Visiting Nurses Association (224-4093) between the hours of 8 a.m. and 4 p.m. is all that is necessary to start service or make inquiries. Saturday, Sunday, and Holiday calls are only made when there is serious illness. Fees may be scaled to those unable to pay the entire amount.

SCHOOL BOARD REPORT 1976-77
CHICHESTER, NEW HAMPSHIRE

Emphasis of the School Board was placed on the area of instruction at Chichester Central School during the year. All teachers have been encouraged to expend additional time and energy on the needs of the School District, with an emphasis on individualized learning. Chichester teachers, as a result, have involved themselves in 73 staff development hours of work in 33 separate course subjects related to School District determined needs. An additional 900 hours of teaching staff time has been devoted to committee work, special projects, and class innovations. This dedicated effort has contributed significantly to increased learning effectiveness at Chichester Central (see SAT results following).

More planning and coordination in this area is seen. Supervisory Union 53 has a series of development conferences planned and has begun a project to coordinate the curriculum of area schools from grades 1 through 12. Minimum competencies will be articulated for each grade.

Chichester Central has benefited greatly from expanded services provided by Central N. H. Educational Services by upgrading the professional staff competence in the availability of services in the areas of psychological/educational testing and guidance counselling. In addition, a speech therapist has been available to the school one day per week and a music teacher spends a like amount of time. Our Title 1 project continues to function effectively for special education needs under the direction of Mrs. Elaine Coffey. Nearly 25 percent of Chichester Central students have been diagnosed as having one or more learning deficiences during the past year. This presents special problems in the future on 92-142 students who under federal and state law require full funding from ages 3 through 21 but for whom no special funding has been provided, except through the local school district.

All of this has been effective in the learning process as determined by the Stanford Achievement Tests. In 1976, test results show an average pupil attainment of 1.3 years in learning equivalencies per student. This is higher than the local and state average in most instances and in many cases is higher than the national attainment average.

The science program inaugurated two years ago will be deployed in grades 5 and 6 this year with additional years added later.

A special curriculum planning process has begun which eventually will coordinate all activities from grades 1 through 8 and will include testing for minimum competencies according to state criteria. This educational planning process will be dedicated to making maximum effectiveness of grades 1 through 8 in an individualized manner.

Special attention was given to school facilities needs this year. An entire new science classroom was rehabilitated from existing space sufficient for 18 students. Library space was expanded greatly, turning this new space into an attractive room useful for multiple purposes and sufficient for library stack needs in the future. Many classrooms were repainted and the hallway was coated with epoxy, eliminating the need for annual hall renovation. The sadly neglected 7-8 grade room divider curtain was creatively repaired by Frank and June Hatch, saving very large replacement costs.

With all this activity, the School Board was able to conduct District activities in such a way as to return an unencumbered balance of nearly $10,000 to the townspeople of Chichester, funds which will not have to be raised from the District next year.

Several critical needs in facilities remain: 1) Playground equipment is either dangerous, unuseable, or non-existent; 2) A change from present use of 500 watt incandescent lighting fixtures to more energy and light efficient fluorescent units should be considered; and 3) The gas fired oil burning furnace requires numerous re-lightings daily and must be reappraised before serious, expensive winter damage occurs.

Virginia Sanborn was named chairwoman of Central N.H. Educational Services. Dennis Binning was elected chairman of the Board of Supervisory Union 53.

Enrollment remains stable at Chichester Central, however, Pembroke Academy enrollments are about to grow significantly -- projected to go from 90 to 114, an increase of over 26 percent in one year.

We urged expanded participation in the budgeting process this year. Chichester PTO was represented by Mr. James Sherman; Chichester teachers by Mrs. Deborah Ingram; the general public by Mrs. Carol Knight and Mrs. June Hatch. We feel continuation of this process will result in a full public-professional planning and budgeting system for the future.

The School Lunch program has been well managed, with a nearly $3,000 surplus last year. Participation has grown significantly, with nearly 90 percent of the students taking hot lunch.

We are particularly indebted to the parents, teachers and townspeople who have contributed time and money to school activities. The PTO has emerged as a very strong organization and has raised substantial money for student activities. Friends of the Library continue their valuable assistance in the school library. The Chichester Fire Department has conducted drills and examinations assisting the general safety of the school.

SUPERINTENDENT'S REPORT

Central New Hampshire Educational Services which was mentioned in last year's Superintendent's Report is now providing diagnostic services for students who have learning problems. There is still a need to provide additional diagnostic services and we are in hopes of expanding this area by utilizing state and federal funds. In addition the above-mentioned agency has provided considerable assitance to the pupil placement team in the area of developing Individual Educational Programs for handicapped students. This agency has also provided in-service training programs to staff members who are working with handicapped students.

In the Spring of 1977, the Chichester School Program was reviewed by the State Department of Education. The Chichester School District was commended for the overall support that it provides to the school programs in that the School District meets the majority of the State of New Hampshire Elementary School Minimum Standards. The School District was also commended for the excellent behavior of the students.

The School Visitation Report also addressed itself to the State of New Hampshire Elementary School Minimum Standards that are presently not being met, and they are in the following areas: Physical Education, Art, Guidance and Library. It should be pointed out that because of the number of pupils enrolled in the school, the minimum standards in the aforementioned areas are to be considered as recommendations and not requirements. It is recommended that the Chichester Central School provide Physical Education, Art, and Guidance Services on a part time basis. The last area of concern that is expressed in the report involves the library, and the concerns include the amount of space available, the number of books as well as other materials that are available to the students, and the amount of money that is budgeted for the library. In addition the report expressed a concern relative to the services of a certified librarian on a part-time basis. As a result of the library renovations alluded to in Mr. Fowler's Principal's Report, the minimum standard that relates to the required amount of library space has been met.

The Chichester School District Special Education Services were also reviewed in the Spring of 1977, and the School District was commended for the following:

1. individual Educational Programs are well written.

2. the pupil placement team functions effectively, and has good communication with teachers and parents.

3. there is good interaction among the staff members, and they have a real sensitivity to the needs of the students.

4. the tutorial program is conducted with enthusiasm and imagination.

The recommendations that were made dealt with such items as:

1. preparing a role description for the tutor.

2. Correlating daily plans with Individual Education Plans to better achieve short term objectives.

3. expanding the program to include upper level students.

4. developing a special physical education program to meet the needs of handicapped students.

Dr. P. Alan Pardy is presently chairing a Supervisory Union 53 Special Education Committee whose purpose it is to expand and improve the services in this area.

William Marston and I have completed a review of the New England Association of Colleges Secondary Schools. Our report has been reviewed with the Pembroke School Board. A number of the Association's recommendations have been completed, and the completion of others is being contemplated in the 1978-1979 proposed Pembroke School District Budget.

In closing I would like to thank the School Board, School Staff and citizens of Chichester for all that they have done for the Chichester students.

Respectfully submitted,

Gerald A. Gritman

PRINCIPAL'S REPORT

The Chichester Central School opened in September with an enrollment of 214 students.

The teacher assignments were as follows:

Johanna Hassett and Virginia Sanborn, Grade 1
Kathleen St. Germain, Grade 2-3
Sue Williams, Grade 3
Deborah Ingram, Grade 4
Virginia Carlson, Grade 5
Patricia Brown, Grade 6
James Fifty, Grade 7-8 Science and Math
John Farnum, Grade 7-8 English and Social Studies

The Title I program has been expanded to include the services of Elaine Coffey (Grades 1 - 5) and Judith Clark (Grades 6-8) for remedial work in Reading.

Olive Edmunds is tutoring two special students for four hours per week. This money comes from 89-313 funding.

David Harris is a tutor and aide in the school. Funding comes from CETA program.

Mary Ewert is the music instructor for Grades 1-8.

During the summer, one of the classrooms was converted into a library area. It was painted and carpeted and is now a lovely addition to the school. The library is served by volunteers from the community. Many thanks to the following people for the hours spent: Cynthia Mayville, Sandra Bower, Olive Edmunds, Velna Crane, Carol Egan, Carol Knight, Ingrid Moses and the Rev. H. Franklin Parker.

A special thanks should also go to Patricia Sandsmark who has volunteered her time and talents to give the school an Arts program. She spends most of two days per week in the school working with students in Grades 1-8. They have been doing beautiful work that is displayed in the building.

Many hours of work have been spent this year by the Pupil Placement Team. This group is composed of the Principal, the School Nurse, the Speech Therapist, the Title I teacher and a classroom teacher and is responsible for the paper work involved in implementing the individual educational program for special students.

Many thanks to everyone who has helped make Chichester Central School a special place.

Respectfully submitted,

Richard T. Fowler, Principal
